Read the paragraph below. In that paragraph, everybody's favorite adventurer, Mrs. Waffenschmidt, offers clues about the place she is visiting today. Use those clues to help you figure out where in the world Mrs. Waffenschmidt is. Write your answer on the line at the bottom of the page.

Yesterday, I decided to get on a plane and take a trip. I found myself in a wonderful place. One of the most amazing things I saw was a huge white building that looks like a palace -- but it's really a tomb for a dead woman! Seems when the man's wife died, he was so upset he wanted to build her the most beautiful tomb in the world. The architect who designed it was "rewarded" by having his eyes pulled out! (Some people say his hands were crushed too.) Whatever really happened, it was done so the man couldn't build another building to rival this one. I am in a city called Agra.

Can you tell what famous tourist place and country I am visiting?
